

## LEVENDCODEREN OEFENING 4

Want coderen kan je leren

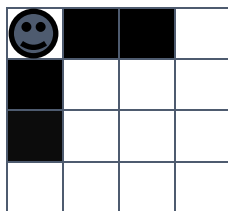

Een foutje is gauw gemaakt! In de volgende programma's is er steeds één foutje geslopen! Ontdek jij het? Verbeter het in de lijn onder de programma's.

Gebruik volgende code-tekens. Starten doe je op de smiley!

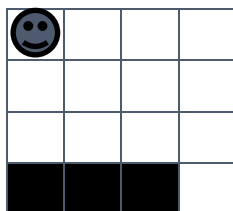

Ga 1 blokje links   Ga 1 blokje rechts   Ga 1 blokje omlaag   Ga 1 blokje omhoog   Kleur het vakje
