

CODING LIVE EXERCISE 3

Coding can be learned

Code a dance!

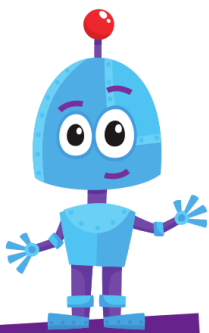

Code your dance ... Cut out the figures on the next sheet and place them in the grid in the order you want

:

1						
2						
3						
4						
5						
6						

Practice to the music now. You perform line by line. You start at line 1, then line 2, ... Does your dance follow the music?

You can make adjustments! Refine your dance over and over again. Do you think it's okay? Then it's time for a performance! 2, ...
